I. Research fees

\$30 for the first hour of research. This is the minimum fee required to initiate a search.

> First hour of research \$ _____

\$25 for each additional hour of research. We recommend that you contract for **one** additional hour of research, but indicate a budget that can be billed to you if more extensive research is needed. (See **II.**)

> Additional hours of research: # of hours of research _____ @ \$25/hour = \$ _____

> **Total amount paid for research** \$ _____

II. Billing for additional hours of research and copies of documents. The WCHS will investigate resources in our library and at the courthouse for the time that you contract have contracted from our researcher. The researcher will not do additional hours of work or make copies of documents unless you authorize the expenditure. Please sign on the line below and indicate your budget for additional research time and copies courthouse citations.

> I, _____, authorize the WCHS to **invoice** me or **bill my credit card** for *additional hours of research (\$25/hour) and/or for exact citations from the courthouse, and photocopies* if information exceeding the amount paid is needed to complete the work. Please bill me for no more than \$ _____. The WCHS will notify those paying by credit card of the total of the additional research fee by e-mail prior to billing your credit card.

III. Complimentary hour of research. Sustaining or higher level of membership may request one complimentary hour per year and \$25 per hour for additional hours of research.
